NOTES

If you have any salad left over you can add more to stretch it out for another meal! Add some sliced cucumber, radish or avocado. Toss a grain through and serve with hard boiled eggs or protein of choice.

1. ROAST THE SWEET POTATO

Set oven to 220°C. Cut sweet potato into wedges and toss on a lined oven tray with **oil, salt and pepper**. Roast for 25–30 minutes until golden and cooked through.

TIP *You can dice the sweet potato or turn into a mash if preferred! Add a ground spice for extra flavour.*

2. COOK THE CHICKEN

Heat a frypan or griddle pan over medium–high heat. Coat chicken with seasoning of choice (see tip), **oil, salt and pepper**. Cook for 3–5 minutes each side or until cooked through.

TIP *We made a quick marinade using 1/2 tbsp dijon mustard, 1 tbsp olive oil and 1 tsp dried tarragon. Ground cumin or coriander, lemon pepper or dried thyme would also compliment with the watercress salad.*

3. PREPARE THE SALAD

Slice celery, apple and trim watercress. Toss together in a large serving bowl or plate.

TIP *You can make a vinaigrette to dress the salad. We used 1/2 tbsp apple cider vinegar whisked with 1 tbsp olive oil. A squeeze of lemon juice would also work well.*

4. FINISH AND SERVE

Serve chicken and watercress salad with roast sweet potatoes.

TIP *Add some toasted nuts, crumbled feta or goats cheese to the salad.*
