1. COOK THE BEEF

Heat a frypan (see notes) over medium-high heat with **oil**. Slice **spring onions** (reserve tops for garnish) and add to pan along with **beef mince**. Cook for 5 minutes, breaking up **mince** until sealed. Stir in **seasoning of choice** (see tip).

TIP *We used 3 tsp pre made Ras el hanout spice mix. You can use a mix of ground cumin, paprika, turmeric, saffron, dried herbs or a pre made spice paste such as harissa.*

2. ADD THE VEGETABLES

Dice **tomatoes**. Add to **beef** and cook for 2-3 minutes until softened. Stir in **tomato paste** and **3/4 cup water**. Season with **salt and pepper**.

TIP *You can add zucchini, mushrooms or tinned beans and chickpeas. Add a tin of chopped tomatoes or jar of tomato sugo if you need more sauce to cover the vegetables.*

3. ADD THE EGGS & SIMMER

Reduce heat to medium. Make 6 indents into **beef sauce** and crack in **eggs**. Cover and simmer for 5-8 minutes or until cooked to your liking.

TIP *Instead of poaching the eggs directly in the shakshuka, you can scramble or fry them in separate pan and serve on the side.*

4. FINISH AND SERVE

Toast **flatbread** if preferred (see notes). Garnish **eggs** with reserved **spring onion tops**. Serve at the table.

TIP *You can garnish the shakshuka with dukkah, toasted sesame seeds or fresh chopped parsley if you have some.*
